EUSTACE DEFEATS PAUL MARTINSON

IN TWO STRAIGHT FALLS AT WRESTLING SHOW YESTERDAY

JACK M'GILL IS INJURED

After Wrestling Mervin Barackman For 1 Hour and 8 Minutes, He Crashes Through Rope

Alan Eustace won from Paul Martinson in straight falls at the wrestling show held under the auspices of the American Legion at the fairgrounds yesterday afternoon.

Eustace, master of the toe-hold, used this grueling hold on his opponent time after time again, and with this won both falls, the first in 37 minutes and 12 seconds, the last in 21 minutes and 10 seconds.

About 400 persons attended the wrestling show. The crowd was small due to celebrations in nearby towns and in St. Joseph and Kansas City.

At the beginning of the Martinson-Eustace bout, the former was successful in obtaining a headlock which was soon broken by Eustace. Martinson then grabbed for a toe-hold and held the Kansan at his mercy for some time. Eustace then broke away but Martinson, with the agility of a cat, grabbed a toe-hold and soon obtained a body scissors also. After much effort, Eustace succeeded in breaking this combination and secured a wrist lock on the Danish champion. This was broken, however, and then Eustace obtained the toe-hold and held it for some time before Martinson could extricate himself from the perilous position.

Martinson then obtained a head scissors and arm-lock but this was broken by Eustace. The Dane then tried a series of head-locks, arm-locks and toe-holds but the Kansan soon broke out of all of them. Eustace then tried for a head-lock but missed but he soon got a body-scissors and toe-hold. However, the Dane crawled out of these neatly, but Eustace soon obtained the favorite toe-hold and used it with such efficiency that Martinson surrendered the fall after 37 minutes and 12 seconds of wrestling.

Soon after the beginning of the second encounter, Martinson secured a headlock but this was soon broken. Martinson then gets another but again Eustace slipped through it. Martinson then gets the head-scissors which is broken by Eustace and then the Kansan clamps on a toe-hold but Martinson breaks it and gets a head-scissors on Eustace. Eustace gets away, however, and grabs for Martinson's toe and applies the leverage. Martinson could not break away and lost the second fall in 21 minutes and 10 seconds.

When the match was over both Eustace and Martinson made speeches in which they lauded the town and people of Maryville and also each other.

After 1 hour and 8 minutes of wrestling, during which time neither was able to gain a hold of great advantage, Jack McGill fell under the ropes and was so badly injured that the match could not be continued. Upon examination of McGill, Dr. D. J. Thomas, referee, forfeited the match to Barackman, according to the rules of the wrestling game. McGill sustained an injury to his spine and neck. The men were wrestling near the edge of the ring with Barackman on top. McGill attempted to break away but in trying to do so, he was hurled through the ropes with Barackman on top. The Sheridan wrestler attempted to save McGill from the fall but was unable to do so, and both fell to the ground.

During the entire 1 hour and 8 minutes, various holds were tried by both men and on account of their excessive speed neither was able to clamp on a hold that would bring the first fall. Headlocks, toe-holds, body-scissors and arm-locks were tried out but each time the victim was agile enough to break away.

The two men were in top form and were as equally matched as two wrestlers could be. After Dr. Thomas had awarded him the match, Mervin Barackman made a speech in which he said that McGill was the best man he has ever met and hoped that another meeting between them could be arranged as soon as McGill had recovered from his injuries.

McGill was on the streets last night and said that he had nearly recovered from his injuries received at the match. He wants a return match with Barackman and said that the Sheridan wrestler was the best and cleanest man he has ever met.

Turkey Recalling Men to the Colors

London, July 5—The Angora government is recalling men to the colors and laying plans for the defense of the Ismid line, said a dispatch from Constantinople today.

The reported military activity is due, the dispatch said, to the report that the Allies are going to retain the occupation of Constantinople.

One of the unsettled questions before the near East conference at Lausanne is the evacuation of the British territory. Turkey demands an immediate removal of the foreign troops before signing any peace treaty.

Swimming Pool Water in Good Condition

The bacteriology class at the College under C. C. Leeson finished a three-day test of some water samples. Most of the samples turned out very favorable. Another test of the water in the swimming pool was made and Mr. Leeson in pronouncing the verdict on the sample said it was "O. K." There was not a bit of harmful bacteria in the water.

The water to be tested was first put into a chemical solution and left in an incubator for three days which gives the bacteria time to grow. The test is then made.

Fire Burns E. A. Siddens Residence

Damage, estimated from $1,200 to $1,500 was caused to the house and household goods of E. A. Siddens on South Vine street about 1 o'clock yesterday morning. The origin of the fire is not known and it was well underway when discovered. The loss on the house was estimated at about about $4000 and the remainder on the goods. There was some insurance on the household goods.

WATER RATES ARE CUT 10 PER CENT

BY CITY COUNCIL AT MEETING TUESDAY NIGHT

TO BE EFFECTIVE AUG. 1

Council Votes To Pay Off Water Operating Account Of $2,000—George Meek Appointed Assessor

A 10 per cent reduction in water rates, effective August 1, was decided at the City Council meeting Tuesday night. The net earnings so far will justify this decrease in rates, it is said. The reduction will apply on July. Readings payable August 1.

George H. Meek was appointed city assessor by the council and will begin his duties at once.

Mayor W. O. Garrett said this morning that all water consumers must pay their bills by the tenth of each month to profit by the 10 per cent reduction. After that date the bills will be the same as they are now. "This reduction has been made possible only by the reduction of overhead expenses sufficient to justify it," he said.

Mayor W. O. Garret submitted his financial report for June. This showed a total of $38,189.28 on hand and the June bills will be deducted from this amount. This fund is distributed as follows: Water department, $9863.16; Street fund, $1270.70; Library fund, $1672.29; General fund, $6660.49; 1st Water bond principal, $7540.93; 1st water bond interest, $4058.08; street lighting, $3645.56; 2nd water bond interest, $1748.75; 2nd water bond principal, $901.43; Petty cash, $20.20; Street worker's guarantee fund, $251; lateral sewer fund, $498.72; second water bond improvement fund, $17.87.

The council voted to pay off the old water operating account of $2000 which had been owed since before the commission plan of government was adopted. This amount will be paid out of the water department fund.

A report by the police judge showed a collection of $35.00 in fines during the month. The fines were for speeding, reckless driving and intoxication.

A report by George H. Meek showed a collection of $280.23 in taxes during the month.

The librarian's report showed that a total of 1636 books and magazines were issued at the library during June. The average issued per day was sixty-three. Eighty-seven readers' cards were issued during the month. The total number of readers in the periodical room during the month was 1068; in the children's room, 292; in the reference room, 337. There were 283 Sunday readers during the month. The total number of readers served during June was 1780 and the average per day was 59. $2.83 was collected in fines during June and $9.88 in extra penalties, making a total collection of $12.71.

The City Council will meet again tonight.

Many Attend Skidmore Celebration Yesterday

About 3000 Persons Were There—Dr. Fred Keller Talked On "Citizenship"—Music By Band

About 3000 persons attended the celebration at Skidmore yesterday. It was the best and largest attended celebration that Skidmore ahs ever had, Frank Barrett of there said this morning.

There were a number of boys and girls races. Teh parade consisted of numerous floats constructed by the lodges, schools, churches and Red Cross of Skidmore.

Dr. Fred Keller delivered an address on "Citizenship." Dr. Keller stressed the duties of a citizen of America and reminded his hearers that it was a privilege to live under the Stars and Stripes.

Airplane and parachute jumps were also held in the afternoon. There was a pageant at night, in addition to the fireworks.

The Skidmore band furnished the music. The celebration yesterday was under the auspices of the American Legion with J. S. Barrett in charge of the program.

The funeral services for Lee Strickler, who died Tuesday in a Kansas City hospital following an illness of over a year, will be held at the First Christian Church at 2:30 o'clock tomorrow afternoon. The services will be in charge of the James Edward Gray Post of the American Legion and the Seth Ray David Post of the Veterans of Foreign Wars and will be conducted by the Rev. R. E. Snodgrass, if he arrives from Colorado. Military services will be conducted at the grave by these patriotic organizations, and the pallbearers will be selected from both posts.

The pallbearers will be: Kyle Phares, John G. Mutz, Leonard Gray, Dr. R. C. Person, Dr. E. C. Braniger and Floyd Pope.

The music will be give nby a mixed quartette, composed of Mrs. F. P. Robinson, Miss Sadie Neal, John G. Mutz, and E. E. Lunsford. Mrs. F. P. Robinson will sing, "In the Garden."

The body will lie in state at the home of Mrs. Strickler's parents, Mr. and Mrs. W. E. Westfall, 1322 East Third street, from 12 o'clock to 2 o'clock preceding the funeral. Burial will be in Miriam Cemetery.

The Men's Bible Class of the First Christian Church will attend the funeral in a body. Mr. Strickler was one of the most active members of the class before his illness and contributed many cartoons to the class paper, "The Radio."

The Sisson, Loan & Title Co., where he had been employed for more than two years prior to his illness, will be closed for the funeral.

Harry Todd Gave Fight Fans Full Reports

Were Received At Fairgrounds During Progress Of Wrestling Matches —Could Be Heard Clearly

Radio returns of the Dempsey-Gibbons fight at Shelby, Mont., were received at the fairgrounds yesterday afternoon by the radio belonging to Harry Todd of the Hanamo Telephone Company. The reports were sent from Shelby to Kansas City and then relayed by the Kansas City Star.

Results of the auto races and ball games came in also. Mr. Todd had his receiving set working to perfection and reports could be heard some distance away from the fairgrounds. The wrestling matches were over about 5:30 o'clock but the fans stayed to listen to the fight returns. The Democrat-Forum arranged with Mr. Todd to receive the returns.

It was the first time in Maryville that fans could see a wrestling match and at the same time hear results of a fight for the world's championship.

HARDING IS TIRED BUT WELL PLEASED

WITH HIS SPEEKING TOURS AS HE SAILS FOR ALASKA

DISCUSSED EVERY ISSUE

In the More Than Fifty Speeches Delivered and Has Virtually Written 1924 G. O. P. Platform

(Bulletin)

Tacoma, Wash., July 5—President Harding announced here today that he had received promises from Judge E. H. Gary, chairman of the United States Steel Corporation, Charles M. Schwab, and a dozen other big steel manfacturers that the 12-hour day in the steel industry would be abolished just as soon as there was a surplus of labor.

The president made the announcement during his speech in Tocoma this afternoon just before sailing for Alaska.

Enroute with President Harding to Tocoma, July 5—President Harding will sail for Alaska today highly pleased with the results of his two weeks speech-making tour across the continent.

The trip has been one of the most remarkable ever undertaken by a chief executive in office. He has traveled 6,000 miles from Washington and in more than fifty speeches, has outlined the administration's policy on a score of important problems, made an almost daily appeal for American adherance to the international court of justice, and virtually written the Republican platform for 1924.

Not a single issue of major importance has been neglected by Mr. Harding in his epochal journey across the continent. He handled the controversial prohibition question without gloves on and definitely and unequivocally placed himself on record in the dry column. He pledged his party to regional concentration of the railroads and challenged the Senate on the world court issue. He has talked farming to farmers, mining to miners, business to business men and will board the United States Transport Henderson at Tacoma this afternoon tired, but well satisfied with his fortnight of experience.

The presidential special arrived at Tacoma more than a half an hour late because of the unexpected stop at Centralia where President Harding was taken from the station to a motor ride about the city.

Host to the G. A. R. and W. R. C. Members

Comrade Nat Sisson Had Picnic on the Fourth — War Reminiscences.

The old fashioned Fourth of July picnic held at the home of Comrade Nat Sisson at Cedar Summit on Grand Avenue was attended by some fifteen or more Comrades of Sedgwick Post, G. A. R. and some twenty-five ladies of the W. R. C. auxiliary to the Sedgwick post.

There was no set program of exercises but everything was impromptu and informal. Promptly at 4:30 p. m. exercises opened with an invocation by Reverend and Comrade T. J. Puckett, followed by singing of America accompanied by the Victrola with Price & Company's electric amplifier which rendered words and music audible for block around. Then followed the Star Spangled Banner, after which reminiscences of Civil War experiences by Comrades Judge Alderman, Henry Hudson, J. T. Hays, et al, and speeches by a number of the W. R. C. ladies. These speeches were interspersed by patriotic and military airs from the Victrola.

After the exercises tables, each seating four persons, were arranged on the lawn and a two course supper was served. The party adjourned about 8 p .m. with congratulations to the host and many sincere wishes for a repetition of the enjoyable visit and feast.

NEXT MOVE MUST BE FROM ENGLAND

FRENCH FOREIGN OFFICE PASSES REPARATION PROBLEM.

MAINTAIN GREAT SECRECY

French Ambassador Has All Information Necessary to Answer Any Question About Finances.

Paris, July 5—England must make the next move in the reparation negotiations between France and England it was stated today at the foreign office.

The French ambassador, Count De Saint Aulaire, has all the information necessary to answer any British questions on the reparation subject, it was added.

London, July 5—The negotiations between France and England over the reparation issue were at a standstill today with little likelihood of definite action for some time.

The foreign office continued to maintain great secrecy and no official hint has been given as to the result of the conversations between Lord Curzon, and the French and Belgian ambassadors.

It was learned that certain questions had been asked the French ambassadors by Lord Curzon and they went unanswered because the points had not been covered in instructions from Premier Poincare.

The French answers to these questions will be of vital importance to the continuance of the negotiations, but it is not expected that an early reply will be made.

Premier Baldwin, questioned today by a member of the House of Commons as to the status of the reparations conference with France and Belgium, but the Premier refused to make any statement.

4 Die, 7 Injured in Fire of Pa. Hotel

McKeesport, Pa., July 5—Four persons were burned to death and seven others were injured, three of them seriously, when a fire of undetermined origin swept the four-story Hotel Schmidt and for a time threatened the entire business section.

The flames started in the basement and spread with great rapidity trapping many occupants of the upper floors in their rooms.

Funeral for Mrs C. A. Jensen This Afternoon

Funeral services for Mrs. Elva McClurg Jensen, wife of Charles A. Jensen, Maryville merchant, were held at 2:30 o'clock this afternoon at the Presbyterian Church. The Rev. S. P. Allison, pastor of the church, conducted the services.

A quartette, composed of L. A. Richman, E. H. Clark, Miss Edna Dietz and Miss Helen Todd, sang, "Jesus Savior Pilot Me." L. A. Richman sang, "Have Thine Own Way, Lord." The pallbearers were: E. E. Williams, George B. Baker, Dr. H. L. Stinson, Dr. Frank Wallis, Dave Seckington and S. G. Gillam. The Westminster Guild had charge of the flowers.

40,000 Dock Workers Strike in England

Daily Express Claims that Communistic Power is Behind the Strike —Leaders Den yit

London, July 5—With more than 40,000 dock workers on strike through out England today and many of the strikes unauthorized, charges were made by the Daily Express that communistic power was behind the strikes.

Seven thousand were reported on strike in Manchester in defiance of their leaders. Two thousand have joined the strike in London and as many were out in Liverpool. Union leaders, who have given orders in some of the strikes, denied any communistic influence and declared the strike was solely in protest against the high cost of living.

Peace moves were said to have been scheduled for today. Union leaders are anxious for a settlement.

GIBBONS IS MORAL VICTOR OF FIGHT

STAYS LIMIT WITH DEMPSEY BUT LOSES REFEREE'S DECISION

CROWD IS DUMFOUNDED

Expected Dempsey To Win By Knock out Early In Bout—About 25,000 Persons See Shelby Fight

BULLETIN.

The approximate total gate receipts at the Dempsey-Gibbons fight at Shelby, Mont., yesterday was $201,485, according to Charles Rasmussen, collector of internal revenue of Montana.

Shelby, Mont., July 4—The whole sporting world was wrong—with the exception of that courteous, smiling individual, Tommy Gibbons of St. Paul.

The challenger, to the astonishment of the 25,000 spectators in the sun baked arena on the edge of this oil bom town, was on his feet, still fighting, at the end of his scheduled 15 round heavyweight championship battle today against Jack Dempsey, when almost everybody expected him to be knocked out in six or seven rounds.

Dempsey, the champion, was an overwhelming favorite to win by a knockout early in the battle.

Gibbons a Moral Victor

Referee Jimmy Dougherty of Philadelphia awarded Dempsey the decision when the gong changed ending the fifteenth round, but Gibbons, who did not get a cent for fighting the champion, left the ring with a moral victory. It was the first time any fighter had managed to face Dempsey and still be on his feet at the finish since Dempsey became champion.

Gibbons has a reputation made in eighty-six fights of having never been knocked off his feet. That reputation stil is good. Dempsey had him dizzy and weary probably half a dozen times, but failed to knock him out.

Tommy, a master boxer and constantly on the lookout for the knockout blow, danced and hop-stepped around the ring, occasionally slipping a right or left to Dempseys' face thus eluding danger by clinching or stepping backward.

Weakened At Finish

Toward the last Gibbons seemed to be fading fast and repeatedly went into clinches with the champion. In the last round it appeared that his defenses were failing and many expected Dempsey to administer the expected knockout. The champion, seeing the condition of the challenger, furously slashed at his head and body, but Tommy hung on and clinched and side-stepped until the saving grace of the final bell.

Three Rounds To Dempsey

A majority of the newspaper experts at the ringside gave Gibbons a shade in the fifth, eleventh and thirteenth rounds, the remaining twelve being accorded Dempsey without argument. Neither the champion or the challenger were ever off their feet, although once Gibbons nearly fell through the ropes and was helped back by Dempsey.

No Trouble, As Feared

Dougherty did not hesitate an instant, after the bell for the fifteenth round sounded, in raising Dempsey's hand. Gibbons, his face somewhat blood-smeared and lips and nose bruised, smilingly extended his hand to Dempsey. Then he trotted to his corner, where he received a deafening cheer, and the crowds of Gibbons admirers rushed toward the ring. The police did not attempt to interfere as it was seen that everyone was good natured and all merely wanted to get a close-up glimpse of Tommy.

Kearns Is Stunned

While the championship battle was a surprise to the fight fans, it was more than amazing to Jack Kearns, Dempsey's manager. Kearns was stunned after the first five or six rounds had demonstrated the champion was unable to hit Gibbons effectively. The manager, as well as every member of the champion's camp, were sure Dempsey would whip over a knockout in four or five rounds.

Crowd Gathers Swiftly

While there were barely eight thousand persons in the arena at the beginning of the championship battle, it was only a few minutes until approximately twenty-five thousand were crowded as near as they could get to the ringside. The reason was that the spectators would not pay the prices asked, and just before the fight Kearns decided to cut the price of the best seats more than 50 per cent.

The crowds on the outside of the fence cheered the announcement and immediately began handing in $10 bills through the wires for the higher priced tickets. Later even the cheaper tickets were sold at much less than half price, and when the fight was well started the crowd, apparently moneyless, "Crashed the gate" and rushed into the vacant seats of the arena.

Swearingen Back to Prison Third Time

Made Attempt To Escape On Way To Jefferson City But Was Caught

Jefferson City, July 5—Irwin Swearingen, with a record at the penitentiary of having twice escaped without any one finding out how he effected his get-away, was placed behind the bars yesterday for the third time. He had been absent, after his last escape, almost a year. He was arrested by a deputy sheriff, C. W. Kelland of Langdon, N. D., several days ago.

He made another attempt to escape between here and Mexico, Mo., by jumping from a Chicago & Alton train at McCreedie. Kelland was watching him closely, however, and overtook him.

Swearingen came to the penitentiary about eight years ago, on a short sentence from Worth County for burglary. He soon escaped, but was caught by prison officers. He was next heard of when he came to the penitentiary under sentence of seven years for burglary and larceny, imposed by the circuit court of Nodaway County. Not long after he was missing when the prisoners were counted at night, after they were in their cells.

Maryville Athletes Win Places in Track Meet

At Chamber Of Commerce Athletic Carnival Held At Lake Contrary in St. Joseph Yesterday

Five Maryville athletes won places in the second annual Fourth of July track and field meet at St. Joseph yesterday. The meet was under the direction of the athletic committee of the Chamber of Commerce. Murray won second in the novice class in the half-mile; Lamar was third in the open class in the half-mile; O'Banion was third in the hundred and two hundred; Robey was fourth in the bread jump and Richards was fourth in the shot-put in the novice class.

Iowa State won the meet with a total of forty-seven points. Brocklins of Iowa was the high point man by taking three first places. He won the 100 yard dash in 9 4-5 seconds, just 1-5 of a second slower than the world's record.

About 3000 persons attended the meet which was held at Lake Contrary park yesterday afternoon.

There wore over forty silver loving cups awarded to the winning teams. Gold, silver and bronze medals were given also.

FORDSON TRACTOR SALES GROW

Increasing use of tractor power in commercial, industrial and agricultural activities has brought a greater demand than ever for Fordson tractors. To meet this demand production of these sturdy power plants reached a total of 38,473 during the first four months of the year, more than twice that of the same time last year when 15,467 Fordsons were manufactured by the Ford Motor Co.

We have Fordson Tractors on hands for immediate delivery NOW. Harvest, threshing and fall plowing brings a heavier demand for Fordsons than we can possibly supply.

Annual July Clearance Sale

July 7th to July 21st Inclusive

Our annual July Clearance Sale will begin Saturday morning, July 7, and continue for two weeks, closing Saturday night. July 21st.

These clearance sales are the only times during the year that our entire stocks are offered at special sale prices.

This year the sale offers even greater opportunity than ever before—the stocks are more complete and the reductions on many items are greater than ever before. In many instances this merchandise is sold in a regular way for more than twice the prices asked in this Clearance Sale.

The prices on seasonable items in this sale should effect a quick reduction in summer stocks, which we are very anxious to do before the fall stocks are secured and begin to arrive. Returns and exchanges are not permitted on items purchased during this sale, every sale must be final.

Prepare your list of wants and supply them during this special sale at only a fraction of what they would cost in a regular way.

Sale starts promptly at nine o'clock Saturday morning, nothing will be sold at sale prices nor laid away before the sale starts.

A PERSONAL WORD.

For many years it has been the policy of this store to hold two clearance sales each year—one in January and one in July—and these events have been the great money-saving opportunities for the people of this section of the country. They have become so well established in the minds of the people that many of our customers regularly wait for these sales to make their purchases, realizing that many dollars may be saved by taking advantage of the bargains that are offered at these times.

We are proud of the record we have made in the past. But the bargains we are offering in this July Clearance are so exceptional, the range of selection so large, that we feel we should offer this personal word to you, and to give you a special invitation to take advantage of the carnival of bargains we are offering.

The policy of the Yehle Store is a guarantee of the genuineness of the price reductions we offer. Every customer acquainted with this store knows that every price quoted as a reduction is just exactly that even though the statement of the reduction may be conservatively made.

Because of our unusual business connections and our large buying ability we are enabled to secure our merchandise at the rock-bottom figure. And the large stocks we carry and the great volume of business done enable us to sell at all times at a small margin of profit. That explains the lowness of price to be found at this store every day in the year. But when the time comes for our Semi-Annual Clearance Sale we have but one thought in mind and that is to get the goods from our store and into the hands of our customers. We do not expect to make a profit during these sales—in fact we lose mony on every item quoted—but we must get these goods out of the store to make room for the new goods that soon will be arriving.

We welcome you to this store. We want you to get your share of the bargains.

C. W. YEHLE, Manager.

Announcing Something New!

Now--8 to 24 Hours Only to Re-charge Your Battery

Willard Threaded Rubber Insulation Batteries are the choice of 135 car builders for original equipment, though they cost more—and they are also in great demand for replacement.

We have just installed a new system—called the constant potential system—for recharging automobile, radio and other types of storage batteries, which greatly reduces the time required and has other advantages for you. Whatever the make of your automobile battery we can now charge it in from 8 to 24 hours. We cordially invite you to come and inspect our new equipment.

IT SAVES YOU—

Time

Recharging by the ordinary system takes at least three days, often longer, depending upon the condition of the battery and what other batteries are "on charge" in the service station.

Money

By this new time saving system, your charges for rental batteries are greatly reduced, the cost to you being cut two-thirds or more.

Inconvenience

If you don't take out a rental battery, you car is tied up until your battery is recharged. Or it may need re-charging when you want to start on a long trip or when for some other reason it would be inconvenient to use a rental battery.

THE ONLY COMPLETE LINE OF BATTERIES.

Whether you are interested in automobile or radio batteries—whether you want a good battery at a low price or the best battery you can buy, we have a Willard that just meets your requirements. Willard Batteries include not only as high grade, wood insulation batteries as can be produced, but also the only batteries with the famous Willard Threaded Rubber Insulation. And whatever the price you pay, you can't find better value for the money.

A BIG SAVING OF TIME AND MONEY IN REPAIRING BATTERIES, TOO.

When repairs are made to a battery, it has to be re-charged. In the past, using the system ordinarily employed re-charging was by far the slowest part of the job. It might have taken only an hour or two to make the repairs—it took six to ten days to deliver the battery to the customer.

The system we have just put in speeds up the work so that now we can do it in about one-third the time—the exact time, of course, depending upon the nature of the job.

You can count on expert Willard service, too—in every detail of methods and workmanship right factory standards. And remember there's a lot of difference in battery service.

Quicker Radio Battery Charging!

Radio storage batteries frequently require a somewhat longer time for re-charging than do automobile batteries, but our new system greatly lessens the number of hours required.

Willard Wood Insulation Batteries originally established the Willard reputation and are better today than ever before.

EVERY STREET IN MARYVILLE

Has Its Share of the Proof That Kidney Sufferers Seek.

Backache? Kidneys weak? Distressed with urinary ills? Want a reliable kidney remedy? Don't have to look far. Use what Maryville people recommend. Every street in Maryville has its cases.

Here's one man's experience.

Let Louis Anderson, 804 N. Walnut St., tell it. He says: "I had a bad fall which left my back in poor condition. I suffered for some time from dull pains which caught me in the small of my back and my back was lame and sore. I felt miserable and worn out and was hardly able to be about. I read of Doan's Kidney Pills in a local paper and purchased some. The first box brought great relief and after I had taken three boxes I was cured of the attack. I highly recommend Doan's Kidney Pills."

Price 60c, at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mr. Anderson had. Foster-Milburn Co., Mfrs., Buffalo, N. Y.—Adv.

NERVOUS WOMAN COMPLETE WRECK

Tells How She Was Made Well by Lydia E. Pinkham's Vegetable Compound

Indianapolis, Indiana.—"Now I want to tell you just what induced me to take your medicine. It seemed that I had some kind of weakness so that I could not carry a child its full time. The last time I was troubled this way I had a nervous breakdown and was a complete wreck. The doctor thought I would not live, and if I did that I would never be well and strong again. But I told them I was going to get well, that I was not going to die just then. My husband got me Lydia E. Pinkham's Vegetable Compound and I took six bottles of it. I soon got strong again and had three more children. I have recommended the Vegetable Compound ever since, and if you could see me now you would think I had always been well."—Mrs. MARY F. HERRICK, 234 Detroit St., Indianapolis, Ind.

Lydia E. Pinkham's Vegetable Compound is an excellent medicine for expectant mothers and should be taken during the entire period. It has a general effect to strengthen and tone up the entire reproductive system, so that it may work in every respect effectually as nature intends.

Brown, Mrs. J. W. Herndon, Mrs. L. B. Tracy, Mrs. G. E. Brumbaugh, Mrs. T. B. Mumma, Mrs. Arthur Brewer, Mrs. Steve Donahue, Misses Emma Hall, Edith Wolcott, Edna O'Neal, Mabel Gay and May Howland.

SENTINEL-POST WRITES OF THE GOLF PILGRIMAGE HERE

The following account of the golf pilgrimage to Maryville Country Club last Friday by the members of the Southmoreland Country Club at Shenandoah, Ia., is taken from the recent issue of the Shenandoah Sentinal-Post. R. K. Tindall, editor of the paper, was in the party that came to Maryville.

A golf pilgrimage to Maryville, Mo., Friday by members of the Southmoreland Country Club with the Maryville Country Club as host, resulted in a championship score for the hospitality of the Missourians. From the time the Iowans alighted from automobiles or the morning Wabash, they were showered with attention, amusement, food, compliments, caddies, and in many cases even allowed to win the foursomes.

On arrival the members of the party were taken to the Elks club where they were welcomed and introduced. Golf knickers were donned and the players joined the crowd of Maryville business men, who for the day, were under orders to dress for the links. It seemed like Maryville was one big golfing center with golfers on every side. The morning rounds to accustom the Shenandoah players to sand greens were just tryouts for the afternoon performances.

The ladies of the party and others who did not hie to the eighty acre, nine-hole, beautiful golf course as soon as they arrived, were taken for a drive around town.

A fried chicken luncheon was served at noon at the Residence Hall of the State Teachers College. The visitors were impressed with the attractive new dormitory where the young women students at the normal school live. After the luncheon, which was strictly a social event given by the Maryville club, with speeches tabooed, George L. Willfley, banker, president of the Maryville Country Club, welcomed the visitors. D. L. Wilson responded to the address of welcome.

The luncheon over, the crowd went to the country club grounds a short distance from the college. Here foursomes were planned with two Maryville players selected by the tournament committee. Caddies were provided and the visitors' money was no good. The honors were about even in the golf play with a wide range on the score cards. The sand greens were used as alibis for the visitors and the locals whose scores mounted high were "off their game" and "never did play so rotten before." "The Baby," a short hole with two deep ditches to cross was a revelation and "long Tom" and "Tom's twin" were opportunities to get in long drives and iron shots. "Helen Hunt" was well named and "The Twister" made some of the folks fondly think of a certain course where a simple little creek was the only hazard. The new link is in a wonderful shape for a course only two years old as a nice turf has been developed. The par of the course is 37. While it comprises more acreage than the Shenandoah course the yardage is about the same, and the par is the same. The setting for the proposed club house in the grove is excellent and the course has great possibilities. A local rule provided that the balls could be teed up in order to protect the new turf. During the afternoon the local players and the visitors played eighteen holes of golf and promptly at 6 o'clock a picnic supper at which fried chicken played a prominent part, was served in the grove at the country club.

On behalf of the Southmoreland Country Club an invitation was extended by D. L. Wilson for the Maryville club to visit Shenandoah the last of July at a date to be designated. This will be Maryville's second visit here as the first one was several seasons ago when Shenandoah's course was new and before Maryville had organized a club. An attempt will be made to equal the hospitality which was shown the visitors from Shenandoah Friday.

Among the many folks who helped to entertain the visitors was C. C. Hellmers, manager of the Maryville Light and Power Company. He met all the trains, transported the visitors to the club, and at night brought Mr. and Mrs. J. L. Crone and Mr. and Mrs. Ben Brower to Burlington Junction where they left their car in the morning.

Child-birth

Here is a wonderful message to all expectant mothers!

When the Little One arrives, you can have that moment more free from suffering than you have perhaps imagined. An eminent physician, expert in this science, has shown the way. It was he who first produced the great remedy, "Mother's Friend." Mrs. C. J. Hartman, Scranton, Pa., says:

"With my first two children I had a doctor and a nurse and then they had to use instruments, but with my last two children I used Mother's Friend and had only a nurse; we had no time to get a doctor because I wasn't very sick—only about ten or fifteen minutes." Use "Mother's Friend" as our mothers and grandmothers did. Don't wait, start today, and meanwhile write to Bradfield Regulator Co., BA 46, Atlanta, Ga., for a free illustrated book containing information every expectant mother should have. "Mother's Friend" is sold by all drug stores—everywhere.

Miss Abbie Bel Colden President of Sorority

This Sorority, Zeta Tau Alpha, Is Meeting This Week At Estes Park

Miss Abbie Bel Colden of Denver, Colo., who formerly resided in Maryville and was with the Democrat-Forum, is president of Denver University Chapter of the Zeta Tau Alpha. This sorority is holding its national meeting this week at Estes Park in Colorado. A writeup in the Denver Post of a recent issue contained a pic ure of Miss Colden and had in part the following:

Three hundred members of the Zeta Tau Alpha national sorority left Denver to have their turn in enjoying the scenic beauties of the Rocky mountains. The convention opens Sunday and is scheduled to close on July 7.

It will be in the nature of an "outing" and the girl delegates will occupy the Y. M. C. A. grounds and buildings at the park. Horseback rides and auto trips will be the mediums thru which the girls of the Colorado chapter of Alpha Epsilon, Denver university, hostesses for the convention this year, will introduce their eastern sisters to the wonders of the west.

Denver officers who will be in charge of the convention are Miss Abbie Bel Colden, president of the Denver university chapter, and Miss Edna Jones, head of the local alumni organization.

Zeta Tau Alpha now numbers forty-four chapters over the country, showing particular strength in the south. The chapter at Denver university is the only one in Colorado.

Once every two years the sorority holds a European excursion. Alternating years are given over to conventions such as the one being held at Estes park this summer.

Wheat Cutting Is on in Full Swing Now

Crop Looks Good, R. A. Kinnaird, County Agent, Said This Morning —Some Hessian Fly Reported

Wheat cutting is on in full swing all over the County, R. A. Kinnaird, county farm agent, said this morning. The binders were busy in some fields yesterday in spite of the holiday.

The wheat crop looks good all over the County Kinnaird said. The rain this morning will slow down the work some, but the cutting will probably be resumed tomorrow.

George W. Neal of near Pickering has a splendid crop of eighty acres of Turkey wheat, Kinnaird said. It is entirely froo from rye or mixtures of other varieties. It has no sticking smut and only slight traces of loose smut. Neal thinks he will save it for seed.

Kinnaird has received reports from all over the County that the wheat has been damaged by Hessian flies, but few fields have been plowed up on account of them. Kinnaird said that the Hessian fly can be avoided by late sowing.

Ag. Classes Make Field Trips to Stock Farms

The class in Breeding and Live Stock under W. W. Stanfield has been making an extensive study of the different breed hogs for the last two weeks. Along with their regular textbooks they have had some very interesting field trips.

On Tuesday the class visited J. B. Robinson's farm northeast of town to study the pointers on the Poland China breed hogs. Friday they journeyed to J. R. King and Sons' farm to study the Duroc Jersey type. This afternoon they will go to A. F. Harvey's farm east of town and will examine the Chester White breeds.

These field trips give the class a chance to put into practice the facts given them by their text books. They see at these farms only the highest types of hogs of their respective breeds.

Mr. Stanfield in explaining this method of study said that the first day a lesson was assigned out of the books. On the next day the students would visit a demonstration and take notes on pointers given them during the course of the lecture and also the facts they obtain by closer examinations. The next day is then spent in the class room reciting both the facts given by the books combined with the experiment data which they received.

The work in these demonstrations has been greatly impaired by the recent rains and so the class is slightly behind the schedule but expect to soon catch up. There are ten pupils in the class.

The agriculture department plans to finish the harvesting of the clover hay this week. Off of one field on which last year's seed was planted an exceptional heavy crop was raised. Mr. Stanfield said that it would bale t.. and one-half tons to the acre. The average run on the whole crop will be about two tons to the acre.

Ethel Barrymore Given a Divorce

Providence, R. I., July 5.—Ethel Barrymore was granted a divorce from Russell Colt of Bristow, R. I., here today.

She told to the court stories of blows inflicted by her husband and other cruelties as well.

Mr. and Mrs. L. W. Watson spent yesterday in Stanberry, the guests of Mr. and Mrs. Carl W. Bose.

Wilcox Wins From Burlington Junction

Score Was 10 to 8—Game Was Played at Skidmore Before a Crowd of 1500 Persons.

Wilcox defeated Burlington Junction in a baseball game at Skidmore yesterday 10 to 8.

The game was a slugfest throughout, but both pitchers were given good support at all times. The hitting of Egley, center fielder for Wilcox, was the feature of the game.

In the ninth inning, Burlington Junction staged a rally and ran in two scores, and the bases were full when the side was retired.

The batteries for Wilcox were Thorbin and Tobin; for Burlington Junction, Monk, Knuckles and Kidder. These two teams will play at Wilcox Sunday. About 1500 persons saw the game yesterday.

Attend Savannah Celebration

Among the Maryville people who attended the celebration at Savannah yesterday were: Loren Womack and family, E. W. Johnson and family, Mrs. J. F. Goodsen, Roy Mayes and family.

About 5,000 persons were in Savannah yesterday. There were good racing and roping contests.

Horseshoe Games Played Yesterday

During the Fourth of July vacation several matches in the horseshoe tournament were played off. As it now stands, the lower bracket has been finished down to the semi-final round. The upper bracket has several matches yet to be played.

Leech and Riley are matched to meet in the semi-final round to determine the entry in the finals from the lower bracket. The date for this match has not been arranged. Leech won his way into this round by defeating Webb 21 to 10. Riley defeated Appleby 21 to 11 in his match.

Register At Camp

Several picnics were held at the Tourists park yesterday by people motoring overland. Among those who registered were J. W. Stanley Sr., wife and daughters, Patience and Virginia of Princeton, Mo., John R. Nelson and wife of Guilford; and Mr. an dMrs. T. L. Kelley and family of Kansas City. They are bound for Duluth, Minn.; G. C. Rush of New Orleans and A. L. Moore of Southern California, who were motoring to northern points.

Mr. and Mrs. H. E. Seleeman of Des Moines arrived in Maryville yesterday in their car to spend the Fourth of July with Mr. Seleeman's mother, Mrs. Lillian I. Seleeman and family.

Band Concert Program Will be Given Tonight

All Persons Should Stand When "Star Spangled Banner" Is Being Played—Should Respect Anthem.

The regular weekly band concert will be given at 8 o'clock tonight on the courthouse lawn.

In speaking of the attitude toward the "Star Spangled Banner," C. D. Kutschinski, director of the band, said this morning: "There is a vast improvement in the observance of the patriotic custom of standing at attention while the national anthem is being played at the close of the regular program. Surely, failure to do so is caused by ignorance of the custom rather than a lack of patriotism on the part of the average offender. If a person fails to rise when the national anthem is being played it is the duty of someone near him to politely, yet firmly if necessary, to inform the party of his or her duty to perform this simple act of respect. Women and girls are merely to stand still, while men and boys should stand holding the hat with the right hand across the left shoulder."

The program to be given tonight is as follows:

March, "The Invincible Eagle" (Sousa.)

Overture, "Home Circle" (Schlepegrell).

Waltzes, "Danube Waves" (Ivanovici).

March, "The National Emblem" (Bagley).

Selection, "United We Stand" Patriotic medley (Hazel).

Serenade, "An Autumn Romance" (King).

March, "The Stars and Stripes Forever" (Sousa).

"The Star Spangled Banner."

Program will be interspersed with late popular numbers.

Police Court Has 3 Good Customers

Francis Cummins Was Speeding, Perry Culver, Driving Reckless and Georgette Walker Had Vanilla"

The mayor's police blotter this morning showed that three names recently had been entered thereon—and after each were some figures in the collect column.

Francis Cummins was arrested earlier in the week for speeding and contributed $15.65 to the city treasury.

Perry Culver was arrested for reckless driving and assessed $10.65 by the mayor.

Georgette Walker started his Fourth of July celebration a little early and the vanilla extract that he consumed Tuesday night cost him $20 and costs in court yesterday morning.

"The Meanest Man in the World" Is Coming

Wm. J. Keighley, Popular Chautauqua Actor To Take Leading Role In This Play

Does the "Meanest Man in the World" live in Maryville?

No doubt some of our readers are certain that he does, and most of us can suggest some local citizen who might win the blue ribbon in a contest to find "The Meanest Man In the World." But while you are picking out your "meanest man," be certain that your neighbors are not tagging you "it."

The Redpath Vawter chautauqua system think they have discovered "The Meanest Man In the World," as the villain in a great comedy to be presented on chautauqua in Maryville the coming summer.

They claim it is even a greater laugh producer than the great comedies of the past few seasons, and that is going some.

Wm. J. Keighley and wife will again star in this play, which is a guarantee that it will be good and that the caste will be an efficient one, for the Keighley plays have set a high standard for chautauqua entertainment on our chautauqua.

Besides "the meanest man" villian, there is a beautiful heroine and a brave hero. Of course they fall in love, and of course the "meanest man" interferes with their happiness. It would spoil your fullest enjoyment of the play if we gave away the plot in advance, but if you have heard a Keighley play you will be there early this season. If you have not, take it from us you have missed a lot of good laughs, and should get a front seat early.

"The Meanest Man In the World" is one of the big plays of the day, it comes to chautauqua from a long run in New York and Chicago, and will be the big bright spot of the week's program.

Hubert Garrett To Quitman.

Hubert Garrett, who has been superintendent of the Clearmont schools for the past two years, has been elected superintendent of the Quitman school for the next year. Mr. Garrett is attending the Teachers' College here this summer.
